Clicking on the down arrow next to your email address gives you multiple items to select:

Account Information: Change your email address and password. If you want to change your name or mailing address please email us at utilitybilling@superiorwi.gov.

Account List: Do you pay for more than one account? You may use this page to add any additional account and CID numbers to see all of your accounts at once. You may also use this screen to only pay some accounts if you have multiple accounts.

Payment Methods: If you want to use the same bank account or credit card to pay your bill each time you can use this page to save the account information for future payments.

AutoPay Settings: This page can be used to set up your automatic payments. (You can also use the link on the left-hand side under \$ Make a Payment to set up your autopay.)

Scheduled Payments: Any future dated payments that you set up will show up on this page.

\$ Make a Payment (above): Pay one or multiple invoices. You can also schedule future payments from this screen.

Enroll in AutoPay (above): This screen will guide you through setting up your payment method and enrolling you in AutoPay.

Paperless Billing (right): Would you like to receive your bill by email? Click on Change go paperless. You can change it back by clicking change any time.

View Account History (right): Use this page to see a complete account history. Missing a bill? You can view and print any bill from here and see all of your payments.
